Contact NBA VEBA at 888-419-8233 or 402-475-8322

Title Insurance

NBISCO has helped banks form a multi-bank-owned title agency. The agency has 18 member banks participating. The banks share the net income from agency operations.

Contact Scott Yank at 402-904-7013 or Jodie Griffiths at 402-904-7022.

Preferred Vendors

- **Ascensus:** Offers fully- and self-administrated IRA and HSA platforms for banks to provide complete administration, operational, and compliance support.
- **Bank Marketing Center:** Web-based platform putting banks in complete control of their marketing production process for a fraction of their current marketing costs.
- **Bank Performance Reports:** Quarterly publication providing printed and electronic analysis of bank data by state. Production reports are created using data from the quarterly FFIEC Call Reports, ranking the overall performance of banks headquartered in Nebraska.
- **BHG Financial Loan Program:** Offers banks a fully compliant loan program and transparent due diligence.
- **EVERFI Financial Literacy Program:** Digital financial literacy platform bringing much-needed financial education to students, employees, senior citizens, and small businesses.
- **Five Nines Technology Group:** Focuses on technology and the business as it pertains to the risk and burden of managing IT functions.
- **JFC Advisor Network:** Income producing program to assist banks in setting up retail brokerage services at their institution.
- **LERETA:** Online flood determination program and tax services reporting system.
- **NFP Executive Benefits:** Bank-owned life insurance (BOLI) – implementation and servicing, and Medicare supplemental plans.
- **ODP Business Solutions:** Discounted office products, furniture, and custom printing services.
- **SBS CyberSecurity:** Provides services to ensure successful IT examinations and promotes good security practices for community banks.
- **Sontiq (formerly CyberScout):** Identity theft resolution products.
- **Strunk LLP:** Risk Manager offers a comprehensive, easy-to-use, and affordable enterprise risk management system. The Loan and Deposit Pricing Manager provides a fully hosted, web-based solution for banks to deploy to lenders to price loans based on target objectives.
- **Zelle Human Resource Solutions:** Provides HR consulting by identifying a strategic solution that aligns with the bank's mission, values, culture, and budget. Zelle's virtual HR subscription service, resourceHIV, provides comprehensive services for consulting, compliance and audit support, virtual training, exit interviews, and virtual meetings.
